

**Fredericton North Rotary Club
Recipient of the Peace Medallion, November 2023**

We are honoured to recognize the work of Fredericton North Rotary Club with a Peace Medallion. This group has provided financial and labour support for Camp Rotary, a camp that enriches the lives of children with disabilities. As community partners with the YMCA, they have provided financial support to help children whose families face financial barriers access Summer Camp at the YMCA.

Fredericton North Rotary Club's involvement in Fredericton's school system is empowering students from elementary school up to highschool. They have supplied more than 1000 colourful dictionaries to grade 3 students, they volunteer their time to educate children in kindergarten about water safety and they provide an annual bursary program at Leo Hayes High School for graduating students.
