

Marty Forsythe

Peace Medallion Recipient, November 2023

Marty Forsythe is deserving of the medallion because he works towards addressing community needs. Marty is often the first person to step up and work towards solutions. He has promoted various fundraisers through his social networks and is frequently asked for advice and sought for board level positions - of which he has held many in our community. He has represented Burton on the Capital Region Services Committee, served as President of Oromocto Rotary and Chamber of Commerce, has sat on the board as VP Advocis NB, Children's Wish NB, and Special Olympics. He currently serves as Vice Chair for the Chalmers Foundation, Treasurer for Ducks Unlimited NB and Manager of OHS Lady Blues Hockey Team. We are thankful for his time and service to his community.
