- Shower with warm water and soap before using the pool.
- Swimmers must not be in the Leisure Pool when the floor level is being changed. The uneven weight of swimmers can damage the floor mechanics and the moving floor may cause injury to swimmers.
- Appropriate swim attire is required for any persons entering the pool.
- Please ask a lifeguard before borrowing any pool equipment and put borrowed equipment away neatly.
 - Flutter boards are not to be sat or stood on in the water. Pushing flutter boards underwater can cause them to fly up unexpectedly and cause injury.
 - Toys (aside from balls) are not to be thrown as they can cause injury should they hit someone unexpectedly.
- No person shall engage in boisterous play in or about the pool (ie never scream or yell for unneeded help).
- Do not engage the lifeguard in unnecessary or excessive conversation.
- Ask a lifeguard if you do not understand a rule. Parents and guardians should supervise their children and assist with implementing pool rules and policies.
