INDEPENDENT AUDITOR'S REPORT

To the Members of The Fredericton YMCA Inc.

Qualified Opinion

We have audited the financial statements of The Fredericton YMCA Inc. (the Organization), which comprise the statement of financial position as at December 31, 2023, and the statements of changes in net assets, revenues and expenditures and cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at December 31, 2023, and the results of its operations and its cash flow for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

In common with many charitable organizations, the Organization derives revenue from donations and fundraising, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Organization and we were not able to determine whether any adjustments might be necessary to contributions, excess of revenues over expenses, current assets and net assets. Our audit opinion on the financial statements for the year ended December 31, 2023 was modified accordingly because of the possible effects of this limitation of scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

(continues)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Financial Statements

Year Ended December 31, 2023

1. PURPOSE OF THE ORGANIZATION

The Fredericton YMCA Inc. (the "Organization") is incorporated as a corporation without share capital under the Companies Act of the Province of New Brunswick. The Organization is an independent association of volunteers and professionals whose purpose is to offer people opportunities for personal growth and service to others. The Organization is a registered charity under the Income Tax Act and, accordingly, is exempt from income taxes, provided certain requirements of the Income Tax Act are met.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO").

Financial instruments policy

The Organization considers any contracts a financial asset, liability, or equity instrument as a financial instrument, except in certain limited circumstances. The Organization accounts for the following as financial instruments: cash and cash equivalents, accounts receivables, accounts payables and long-term debt.

A financial asset or liability is recognized when the Organization becomes party to contractual provisions of the instrument.

The Organization initially measures its financial assets and financial liabilities at fair value, except for certain non-arm's length transactions.

Financial assets or liabilities obtained in related party transactions are measured in accordance with the accounting policy for related party transactions except for those transactions that are with a person or entity whose sole relationship with the Organization is in the capacity of management in which case they are accounted for in accordance with financial instruments.

The Organization subsequently measures its financial assets and financial liabilities at cost or amortized cost less any reduction for impairment.

The Organization removes financial liabilities, or a portion of, when the obligation is discharged, cancelled, or expires.

Cash and cash equivalents

The Organization considers cash on hand, short-term deposits and balances with banks, net of overdrafts as cash or cash equivalents.

Capital assets

Purchased capital assets are stated at cost less accumulated amortization. Contributed capital assets are stated at fair value at the date of contribution less accumulated amortization. Capital assets are amortized over their estimated useful lives on a straight-line basis at the following rates:

Buildings	4%
Equipment	20%

The Organization regularly reviews its capital assets to eliminate obsolete items.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Contributed services

Volunteers contribute an indeterminable number of hours per year to assist the organization in carrying out its service delivery activities. Due to the difficulty of determining their fair value, contributed services are not recognized in the financial statements.

Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Significant estimates include useful lives of capital assets, deferred contributions, accrued liabilities and valuation allowances for receivables. Actual results could differ from these estimates.

Revenue recognition

The Fredericton YMCA Inc. follows the deferral method of accounting for contributions, which includes government grants.

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Externally restricted contributions are recognized as revenue in the year in which the related expenses are recognized. Contributions restricted for the purchase of property and equipment are deferred and amortized into revenue on the same basis and rates corresponding with the amortization of the related capital assets.

Revenue from memberships, programs, facility rental and various fees and services are recognized when the services are provided and collection is reasonably assured.

Grants are recorded as revenue in the period to which they relate. Grants approved but not received at the end of the year are accrued. Where a portion of a grant or contribution relates to a future period, it is deferred and recognized in that subsequent period.

Pledged contributions are recorded when there is sufficient certainty of collection.

Internally restricted net assets

Internally restricted net assets include amounts restricted by the Board of Directors for future facility repair and replacement and for international activities. These internally restricted amounts are not available for other purposes without approval by the Board of Directors.

THE FREDERICTON YMCA INC.

Notes to Financial Statements

Year Ended December 31, 2023

3. FINANCIAL INSTRUMENTS

The Organization is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the Organization's risk exposure and concentration as of December 31, 2023.

Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Organization is exposed to credit risk with respect to the accounts and pledges receivable. An allowance for doubtful accounts is established based upon factors surrounding the credit risk of specific accounts, historical trends and other information.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the Organization manages exposure through its normal operating and financing activities. The Organization is exposed to interest rate risk primarily through its floating interest rate bank indebtedness and credit facilities.
